Dear NAME OF MP/PEER

SOCIAL CARE LOBBY DAY TIME FOR ACTION ON SOCIAL CARE Tuesday 19th July, 2022

1400 to 1700

Attlee Suite, Houses of Parliament, Westminster, London, SW1A 0AA

I/We will be coming to lobby Parliament on 19th July and would very much like to meet you to talk about the crisis in social care.

I/We are concerned by the chronic lack of capacity in the social care system and the fact that, even before the pandemic and the cost of living crisis hit, there were circa 110,000 vacancies in social care and now the gap is even deeper. Some estimate that there are now up to 150,000 vacancies in social care. I/We believe it is time for the Government to take immediate action and give social care workers a fair deal.

Social Care is such an essential service and everyone will rely on the social care workforce at some point in their lives. I/We want to see Government action to tackle the recruitment and retention emergency in social care provision and pay fair for care.

Despite welcome promises from Government to fix social care we do not see how the Adult Social Care White Paper and Build Back Better Plan reforms can tackle the scale of the crisis in social care that we now face.

I/We would like the opportunity to talk to you face to face about our concerns on the 19th July at the **FSCC SOCIAL CARE LOBBY DAY** and very much hope that you will meet me/us either privately
